Koala Pals® Training Tooth Gel

[Call for Pricing](#)

Even the youngest kids need to get in the habit of brushing their teeth. Help your little ones fight plaque and bacteria with our new *Koala Pals Training Tooth Gel*. This non-fluoride, sugar-free formula tastes like apples and includes *T40-C3 Melaleuca Oil* and baking soda. Plus, it's sweetened with xylitol, a natural sweetener derived from fruit and berries that's shown to not promote tooth decay.

Help your children start good dental habits and protect their precious smiles early with this exclusive gel formulated just for them.
