Sol-U-Mel 3 in 1 Cleaner

[Call for Pricing](#)

It's happened to just about everyone: after rounding a corner or descending the stairs, you're confronted with a sight that makes your blood turn cold and your heart freeze in your chest—a nightmare stain! And whether it's your toddler applying permanent marker to your walls and carpet or a daughter applying fingernail polish to a priceless heirloom, just relax, take a breath, and reach for the Sol-U-Mel. Since 1985, Sol-U-Mel has been making the cleaning of impossible stains not only possible, but easier than ever—and all without caustic chemicals. The secret? Pure Melaleuca Oil. Nearly 10%, the highest concentration of any cleaner available. So the next time an impossible stain strikes, send Sol-U-Mel to the rescue.
