PreSpot™ Laundry Stain Remover

[Call for Pricing](#)

Step 1 – You can't prevent spills, but you can stop them from ruining your clothes!

There's one thing no parent can escape. Stains! And sometimes it seems like the bigger kids get, the bigger the mess they make. But whether it's grass-stained knees from football in the yard or ink on your favorite blouse by your budding artists, one thing you can avoid is throwing away stained clothes. As the first step in the *EcoSense Laundry Care System*, *PreSpot* effectively removes stubborn stains – saving you a lot of time, money, and aggravation.

Family-Friendly Formula

PreSpot's unique cleaning power lies in a proprietary three-phase cleaning system that penetrates, loosens, and lifts stains, leaving clothes looking like new wash after wash. And unlike many grocery store alternatives, *PreSpot* contains no petroleum distillates, solvents that can be fatal if swallowed.

Penetrating . All the cleaning power in the world would do little good if it just sits on the surface, so *PreSpot* starts with a special concentration of Melaleuca Oil and other solvents to penetrate deep into clothing fibers.

Stain Targeting Action . Specially designed ingredients work synergistically with MelaPower to target and remove stains without harming fabrics or fading colors.

1 treatment: 100 Uses

When stains happen. Don't throw away your clothes or reach for caustic chemicals. Grab *PreSpot*, and in

just a few sprays, youâ€™ll not only save your clothes, but youâ€™ll save money too. *PreSpot* is less expensive than many grocery store brands, yet it has been proven effective on:

â€¢ Mustard

â€¢ Dirt

â€¢ Coffee

â€¢ Wine

â€¢ Grass

â€¢ Oil

â€¢ Blood

â€¢ Makeup

â€¢ Ink

PreSpot is part of the *EcoSense Laundry Care System*, the only product system of its kind. Itâ€™s the perfect combination of safety, performance, and value. From washing to wearing, youâ€™ll get your laundry cleaner, brighter, and betterâ€”without harmful chemicals or bleach. Itâ€™s the kind of care your clothes, the environment and your family deserve!
